

Become a

Harmony Project
Mentor!

Become a mentor to a Harmony Project KC junior or senior through the Path to College initiative!

PATH TO COLLEGE MENTOR PROGRAM

No two mentors will do it the same!

Here are some ideas of what that could look like:

REAL WORLD EXPERIENCE

Connect a student to a job shadowing opportunity in a field of their interest, an internship, or summer employment.

FEEDBACK

Reading college essays, scholarship essays, and more.

SUPPORT

Remind students of important deadlines, and (as able) attend monthly check-ins with seniors and their parents.

DISCERNMENT

Some students may need a thought partner about their fields of interest, and someone to talk with them and their parents about colleges.

MENTOR + STUDENT + PARENT = SUCCESS

The involvement of the parent is critical to success in a student's path to college! As a mentor, you will partner with both the student and the parents in supporting the HPKC musician. Many HPKC students will be first opportunity college students. Partnership with parents in this process will be key!

PLEASE NOTE...

All mentors will need to be: selected as a match by NECC staff and pass the appropriate background checks. Staff will focus on matching students and mentors based on career interest and background.
