

HPKC Family at Starlight Theatre!

FUN SUMMER ACTIVITIES!

Harmony Project KC students and their families have been busy this summer! Many HPKC students participated in: the Sunflower Festival, Art as Mentorship's Ignition Camp, and the UMKC Saxophone Symposium! Through community partnerships, HPKC families have the opportunity to see musicals at Starlight Theatre and an upcoming game at KC Current!

HONORING A LEGACY!

We want to celebrate Judge Charles Shangler's memory by honoring his upcoming 100th birthday on August 6th! Judge Charles Shangler, son-in-law of NECC founder Dr. John Bisceglia, was an integral part of bringing Harmony Project to Kansas City! We couldn't have done it without him!

TEACHING ARTIST HIGHLIGHT

Congratulations to long-time Harmony Project KC Teaching Artist, Selene, on her beautiful performance with Making Movies! Selene has been with HPKC since 2015 and continues to inspire so many young musicians.
